VENUE DESCRIPTION

Caesars Palace is pleased to announce internationally-renowned Chef Gordon Ramsay has expanded on his relationship with Caesars Entertainment and opened his second Las Vegas restaurant, Gordon Ramsay Pub & Grill, in December 2012. The new contemporary yet casual restaurant & bar serves lunch and dinner and is located in the heart of the resort, adjacent to the premiere entertainment venue, The Colosseum, replacing Bradley Ogden restaurant.

Michelin Star Chef Gordon Ramsay, known not only for his superior cuisine, but also his popular TV personality on the FOX Network programs "Hell's Kitchen," "MasterChef" and "Kitchen Nightmares," has emerged on the Las Vegas culinary scene with rave reviews at the newly-opened Gordon Ramsay Steak at Paris Las Vegas.

Gordon Ramsay Pub & Grill will provide his fans another outlet to enjoy the chef's award-winning skills in a lively and approachable

English pub-style setting, offering the finest casual food utilizing the freshest ingredients. The menu at Gordon Ramsay Pub & Grill is comprised of items consistent with British pub food — bangers and mash, fish and chips and roasted chicken — as well as some of Ramsay's favorites like London broil prepared on a wood-burning grill, all part of a rustic menu that will change seasonally.

Paying homage to a true pub, the new restaurant features a wide selection of craft and microbrews from around the world, offering beer enthusiasts more than 40 beers on tap. "I am overwhelmed by the support Gordon Ramsay Steak has received by guests and our Caesars Entertainment partners, and I'm excited to now bring some more of my favorite cuisine and an authentic pub experience to Caesars Palace with Gordon Ramsay Pub & Grill," said Ramsay.

EDG Interior Architecture + Design has created a space that is welcoming, high-energy and

comfortable utilizing distressed woods with cheeky references to historic and iconic events throughout the space. The centerpiece of the space features a striking bar with an array of beer taps on display and the backdrop inspired by traditional London red telephone booths. Gordon Ramsay Pub & Grill will take advantage of its location with a patio area extending onto the casino floor where guests can be in the middle of the action. Kegs serve as a major part of both the dining experience and the design while pop culture relics from both England and the United States fill the walls. The 290-seat restaurant includes an impressive bar, a vintage-style lounge, a series of casual dining rooms and a private dining room, giving guests a variety of culinary experiences to fit any mood.
